

**PUBLIC NOTICE**  
**Petition for Site-Specific Land Disposal Restrictions Treatability Variance**  
**for The Dow Chemical Company, Midland, Michigan**  
**MID 000 724 724**

The Department of Environmental Quality (DEQ) hereby gives notice of its intent to approve a petition for a site-specific land disposal restrictions treatability variance to The Dow Chemical Company at their Michigan Operations Midland Plant site under Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. The DEQ has reviewed the data submitted with the petition and found that approval of the petition is warranted.

The petition, a briefing summary, and the draft approval are available for inspection on the DEQ Web site located at [http://www.michigan.gov/deq/0,1607,7-135-3312\\_4118\\_4240-53424--,00.html](http://www.michigan.gov/deq/0,1607,7-135-3312_4118_4240-53424--,00.html) and at the following locations:

Department of Environmental Quality  
Waste and Hazardous Materials Division  
Constitution Hall, Atrium North  
525 West Allegan Street  
Lansing, Michigan 48933  
Contact Person: Jack Schinderle at 517-373-8410

Department of Environmental Quality  
Waste and Hazardous Materials Division  
Saginaw Bay District Office  
503 North Euclid Avenue Suite 1  
Bay City, Michigan 48706  
Contact Person: Trisha Peters at 989-686-8025, Extension 8204

Persons with disabilities should contact Mr. Schinderle or TDD (Telecommunications Device for the Deaf) at 1-800-649-3777. Written comments on the petition and the draft approval will be accepted during the 30-day public comment period. All comments submitted for consideration by the DEQ must be postmarked by June 18, 2008. Comments should be addressed to Jack Schinderle, Waste and Hazardous Materials Division, DEQ, P.O. Box 30241, Lansing, Michigan 48909-7741. All comments will be evaluated before making a final decision. This decision will be communicated to all persons who submit written comments.
